SUMMARY

Data Analyst and aspiring Data Scientist with hands-on project experience cleaning, analyzing and visualizing business data using Python, Power BI and Excel. Has delivered end-to-end projects, from cleaning a 10,000-record sales dataset to building interactive dashboards that surfaced revenue trends, top-performing products and data-quality gaps. Currently building a machine learning and RAG tool that ranks Lagos LGAs by education resource gaps as part of the SAIL Innovation data science program.
Brings strong attention to detail from a B.Sc. in Industrial Chemistry and quality-assurance lab work. Eager to apply these skills in a data science internship and grow through real-world, on-the-job experience.

PROJECTS

EDUCATION RESOURCE-GAP INTELLIGENCE TOOL

SAIL Innovation Capstone | Group Project — Python, Machine Learning, RAG | *Jun 2026 – Present*

- Building a machine learning and RAG tool that ranks Lagos State LGAs by gaps in education resources.
- Combining school resource data with student performance records to show where support is needed most.
- Presenting findings to program sponsors at a final project defense.

CAFE SALES DATA ANALYSIS & VISUALIZATION

Schull Technologies Capstone — Python (Pandas, NumPy), Power BI | *March 2026*

- Cleaned a 10,000-row sales dataset in Python, fixing errors, data types and missing values to keep 9,540 valid records.
- Built an interactive Power BI dashboard tracking $85,179.50 revenue, 9,540 transactions and $8.93 average order value.
- Identified Salad as the top revenue product ($16.6K), June as the peak month and a 30.6% payment-recording gap.

COOKIE SALES PERFORMANCE DASHBOARD

Schull Technologies | Excel Project — Microsoft Excel | *Jan 2026*

- Built pivot tables and a KPI dashboard comparing 2020 vs 2019 revenue, cost, units sold and profit.
- Reported $4.7M revenue and $2.77M profit, with Chocolate Chip as the top product ($1.7M).

MAVEN ELECTRONICS SALES DASHBOARD

Power BI Bootcamp — Power BI, DAX, Data Modelling | *2025*

- Built a five-page Power BI report covering overview, trends, products, customers and stores.
- Wrote DAX measures for profit margin, revenue YoY %, rolling 12-month revenue and repeat customer %.
